GOVERNMENT OF INDIA
STEEL
LOK SABHA

UNSTARRED QUESTION NO:528
ANSWERED ON:06.02.2017
Enhancing Efficiency of Steel Plants
Rajoria Dr. Manoj

Will the Minister of STEEL be pleased to state:

(a) whether the Government proposes to enhance the operational efficiency of the Steel plants to meet the rising domestic demand;

(b) if so, the details thereof along with the steps taken in this regard; and

(c) the details of Steel imported during each of the last three years, country-wise?

Answer

THE MINISTER OF STATE FOR STEEL (SHRI VISHNU DEO SAI)

(a) Steel industry is deregulated and the subject matters related to operational efficiency and choice of technology is dealt with by the management of individual companies. However there has been capacity increase of 25 MTPA from 2012-13 to 2015-16. Government encourages increased competitiveness of the Steel Industry.

(b) Steel Public Sector Undertakings have undertaken capacity expansion both for existing plants and by setting up new Steel Plants. Plant wise break up of 25 MTPA is annexed (Annexure-I).

(c) Country-wise Import of Steel is annexed (Annexure-II).
